The Dolly Adventures Teaches, Entertains

The Dolly Adventures book series entertains, educates and empowers little girls by encouraging them to mimic real life situations that they can act out with their dolls. The stories are written from a child's perspective and include themed clothing designed to fit most dolls

The first book in the series, *Dolly Goes To The Supermarket*, is a winner of the iParenting Media Awards' Greatest Products for 2005. In this story, a girl takes her doll to the supermarket and "teaches" the doll how to pick out the best foods for a strong mind and a healthy body. The little girl also practices her mommy skills as she soothes and cares for Dolly.

Upcoming titles include *Dolly Goes to the Beach* and *Dolly Goes on Vacation*. Both books will also include themed clothing designed to fit most dolls.
